

**California For All Public Outreach & Education Campaign Support Team  
RFP Frequently Asked Questions (FAQ)**

Update 4/25/2019

**1. Will there be only one grantee for this funding?**

Yes, only one community-based organization will be selected to serve as the lead coordinator of the Support Team.

**2. Will this entity have operations statewide or operate in multi-counties within California?**

The community-based organization, serving in the lead role to organization and oversee the Support Team, will operate and provide support to the CBO Partners located at the county-level as outlined in the RFPs being administered by the California Office of Emergency Services.

**3. Does the staff that will execute grant/contract activities and deliverables have to be currently in place as this entity?**

Our focus is that the requirements, function and deliverables of the Support Team are successfully achieved. The organization of staff and location is up to the community-based organization to use its best judgement on how best to manage and deliver results. In your proposal, you may share initial thoughts how you recommend we work together on this project.

**4. What are the ideal characteristics of the entity selected for this funding?**

Please refer back to the RFP outline of "eligibility requirements" listed on page #3, the outline of required deliverables on pages #5-6, as well as, and the

proposal criteria outlined on pages #6-8 to determine if your organization is able to deliver on this project.
